

"10 for 10" Jog-a-thon

sponsored by the

Will you help me to raise \$100 for my school? I'm going to run at least **10** laps which is one mile and all I need are **10** people to sponsor me for **\$10** each. That's just one dollar per lap! Our school's budget is shrinking again this year, so we are working hard to raise money for the things we need. Every dollar we raise will go straight to the school to fund programs and educational materials! All donations are tax deductible too!
